Petitioner.

ADB Case No. 10-8-RP
AGC File No. DP 136/09

Notice of Hearing On Petition For Reinstatement

Notice is given that Kevin M. Schneider has filed a petition for reinstatement in the Supreme Court of the State of Michigan and with the Attorney Grievance Commission seeking reinstatement as a member of the Bar of this state and restoration of his license to practice law.

Effective July 30, 2009, Petitioner filed an answer to the formal complaint and appeared at the hearing. The panel found that Petitioner, based on his conviction for negligent homicide and OUIL/per se, both misdemeanors, committed professional misconduct in violation of MCR 9.120(B)(2) and 9.104(A)(5).

The panel ordered the Petitioner's license to practice law be suspended for 179 days, retroactive to February 5, 2009. Additionally, the panel imposed conditions relevant to the established misconduct.

The Grievance Administrator filed a petition for review but, prior to the review hearing, the parties filed a stipulation increasing respondent's period of suspension from 179 days to 180 days, effective July 30, 2009.

On November 23, 2009, the Board issued its order increasing Petitioner's suspension to 180 days with conditions. Total costs were assessed in the amount of \$2,353.21.

The hearing on the Petition for Reinstatement is scheduled for Monday, April 19, 2010.

The Petitioner is required to establish the following by clear and convincing evidence:

1. That he desires in good faith to be restored to the privilege to practice law in this state;

2. The term of the suspension ordered has elapsed or five years have elapsed since revocation of his license;

3. He has not practiced or attempted to practice law contrary to the requirement of his suspension or revocation;

4. He has complied fully with the terms of the order of discipline;

5. His conduct since the discipline has been exemplary and above reproach;

6. He has a proper understanding of and attitude toward the standards that are imposed on members of the Bar and he will conduct himself in conformity with such standards;

7. He can safely be recommended to the public, the courts, and the legal profession as a person fit to be consulted by others and to represent them and otherwise act in matters of trust and confidence, and in general to aid in the administration of justice as a member of the Bar and as an officer of the court;

8. That if he has been suspended for three years or more, he has been recertified by the Board of Law Examiners; and,

9. That he has reimbursed or has agreed to reimburse the Client Protection Fund any money paid from the fund as a result of his conduct. Failure to fully reimburse

as agreed is grounds for revocation of a reinstatement.

In the interest of maintaining the high standards imposed on the legal profession as conditions for the privilege to practice law in this state, and of protecting the public, the judiciary, and the legal profession against conduct contrary to such standards, the Petitioner will be required to establish his eligibility for reinstatement by clear and convincing evidence.

Any interested person may appear at the reinstatement hearing and be heard in support of or in opposition to the petition for reinstatement. Any person having information bearing on the Petitioner's eligibility for reinstatement should contact:
