NOTICE OF INTERIM SUSPENSION

Case Nos. 24-43-GA; 24-90-PI

Notice Issued: November 3, 2026

Stacy L. Erwin, P 61482, Saginaw, Michigan

Effective October 2, 2026

On April 8, 2026,Tri-Valley Hearing Panel #1 entered an Order for Examination, requiring respondent to undergo a psychological examination pursuant to MCR 9.121(B)(1)(a)(I). On August 26, 2026, the panel issued an order granting the Grievance Administrator's motion to appoint Dr. Kristine Vichinsky, PsyD, LP to perform a virtual psychological examination on respondent on Thursday, September 3, 2026 at 2:00 p.m. The order further provided that if respondent failed to appear and participate in the September 3, 2026, examination, the panel may, effective immediately, suspend respondent from the practice of law until further order of the panel or the Board. On September 9, 2026, the Grievance Administrator filed a motion requesting that the panel suspend respondent's license to practice law in Michigan because of respondent's failure to appear for the examination, in accordance with the August 26, 2026 order. On September 18, 2026, respondent filed a response to the motion that did not address her failure to appear for the examination. After reviewing the motion and respondent's response, the panel was satisfied that respondent received proper notice of the September 3, 2026 virtual psychological examination, and failed to attend and participate in the examination.

On October 2, 2026, the hearing panel issued an Order of Interim Suspension suspending respondent's license on an interim basis, effective immediately, and until further order of the hearing panel or the Attorney Discipline Board.
