NOTICE OF DISBARMENT AND RESTITUTION
(By Consent)

Case No. 26-47-GA

Notice Issued: October 1, 2026

Gregory J. Rohl, P 39185, West Bloomfield, Michigan

Disbarment, Effective October 1, 2026

The Grievance Administrator filed a three-count formal complaint against respondent, alleging that he misappropriated and failed to distribute court-ordered shares of a \$2.5 million wrongful-death settlement deposited into his IOLTA account. It was alleged respondent used the funds for unrelated purposes, failed to release the children's shares despite court orders, and later made false statements to both a beneficiary's attorney and the AGC regarding his involvement with and disposition of the settlement funds.

Respondent and the Grievance Administrator filed an Amended Stipulation for Consent Order of Discipline in accordance with MCR 9.115(F)(5), which was approved by the Attorney Grievance Commission and accepted by Tri-County Hearing Panel #101. The amended stipulation contained respondent's no contest pleas to the factual allegations and allegations of professional misconduct as set forth in the formal complaint in its entirety. Based on respondent's no contest pleas and the amended stipulation of the parties, the hearing panel found that respondent: neglected a legal matter entrusted to the lawyer, in violation of MRPC 1.1(c) [Count One]; failed to act with reasonable diligence and promptness in representing a client, in violation of MRPC 1.3 [Count One]; failed to keep a client reasonably informed about the status of a matter and comply promptly with reasonable requests for information, in violation of MRPC 1.4(a) [Count One]; failed to promptly pay or deliver any funds or other property that the client or third person is entitled to receive, except as stated in this rule or otherwise permitted by law or by agreement with the client or third person, and, upon request by the client or third person, promptly render a full accounting regarding such property, in violation of MRPC 1.15(b)(3) [Count One]; knowingly disobeyed an obligation under the rules of a tribunal, absent open refusal based on an assertion that no valid obligation exists, in violation of MRPC 3.4(c) [Count One]; knowingly made a false statement of material fact in connection with a disciplinary matter, in violation of MRPC 8.1(a)(2) and MCR 9.104(6) [Count Three]; engaged in conduct involving dishonesty, fraud, deceit, misrepresentation, or violation of the criminal law, where such conduct reflects adversely on the lawyer's honesty, trustworthiness, or fitness as a lawyer, in violation of MRPC 8.4(b) [Counts One, Two, and Three]; engaged in conduct prejudicial to the proper administration of justice, in violation of MCR 9.104(1)

[Counts One, Two, and Three]; engaged in conduct that exposes the legal profession or the court to obloquy, contempt, censure, or reproach, in violation of MCR 9.104(2) [Counts One, Two, and Three]; and, engaged in conduct that is contrary to justice, ethics, honesty, or good morals, in violation of MCR 9.104(3) [Counts One, Two, and Three].

In accordance with the amended stipulation of the parties, the hearing panel ordered that respondent be disbarred from the practice of law in Michigan, effective October 1, 2026, and that he pay restitution in the total amount of \$659,821.44. Costs were assessed in the amount of \$1,446.14.
